## Printing Account

You will be given \$5.00 credit as a start for your printing account. After you use this amount you will need to add credit to your account using your ID swipe card via the kiosk in the library. You will receive this ID card after the school photographs have been taken. To add credit to your printing account prior to receiving this card see the staff in the library.

To check your printing credit, logon to a school computer and in the Launcher click on the button as shown.

## Printing from your laptop

Printing can be done via the School Intranet which you should have as a favourite on your laptop. Select **BYOD Printing** from the menu and follow the instructions. Ensure you have sufficient printing credit to do this.

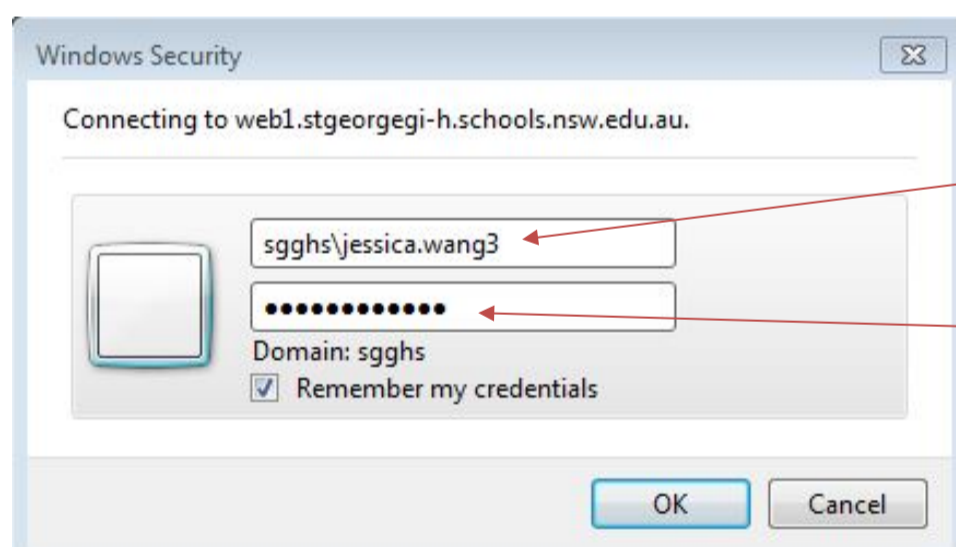

To access your DET Portal from home or on your laptop go to <https://student.det.nsw.edu.au>

## Accessing the SGGHS Intranet from home or from your laptop at school
